Overview

The International Association of Scientists and Researchers (IASR) has emerged as a pioneering organization dedicated to disseminating recent research and studies to avid learners and academics, particularly within the field of forensic science. This journey has been significantly bolstered by the steadfast support of the Sherlock Institute of Forensic Science (SIFS India). The field of forensic science has witnessed notable growth in recent decades, owing to the concerted efforts of talented individuals committed to advancing the discipline. SIFS India's pivotal role in supporting IASR has been instrumental in solidifying the prominence of forensic science in India and globally. Through initiatives such as the IASR International Conferences, which serve as platforms for researchers, academicians, and professionals to exchange ideas and insights, the organization aims to foster continuous learning and facilitate the dissemination of cutting-edge research in various domains of forensics. These include but are not limited to fingerprint analysis, questioned document examination, crime scene investigation, forensic odontology, forensic medicine and toxicology, forensic biology and serology, forensic psychology, cyber and digital forensics, as well as forensic physics and anthropology. By providing such avenues for collaboration and knowledge sharing, IASR and SIFS India are collectively contributing to the advancement and enrichment of forensic science on a global scale, thereby aiding in the effective application of forensic techniques in solving crimes and administering justice.

Teerthanker Mahaveer University

Teerthanker Mahaveer University (TMU) upholds the principles of Lord Mahaveer—Right Philosophy, Right Knowledge, and Right Conduct—in all its endeavors. TMU stands out as a premier private, multidisciplinary university offering career-oriented undergraduate, postgraduate, and doctoral programs across a wide array of fields, including Medical Sciences, Engineering, Management, Law, Agriculture, and Jain Studies.

The university provides a nurturing environment where students are guided by experienced faculty and equipped with both creative and technical skills essential for today's competitive world. With a strong emphasis on research and innovation, TMU is committed to addressing real-world challenges and making meaningful contributions to society.

Education at TMU goes beyond academics, focusing on personality development and specialized skill-building. The Wi-Fi-enabled campus features state-of-the-art laboratories, modern classrooms, residential facilities, and a vibrant atmosphere for extracurricular engagement. This comprehensive ecosystem ensures students graduate as confident, industry-ready professionals with a lifelong passion for learning.

SIFS India

The Sherlock Institute of Forensic Science (SIFS) India was set up in 2006 with the mission to make forensic education available to all and with a vision to make India a crime-free place to live by creating a skilled workforce of forensic experts to assist law enforcement agencies and the judiciary in bringing justice to the table within time.

SIFS India offers comprehensive industry-specific and job-ready online and offline courses, trainings, internships, workshops, and research-based projects in the diverse forensic science domains, like cyber law, cyber and digital forensics, fingerprint verification, questioned document examination, and handwriting analysis, to name a few.

It has been a frontrunner in the field of forensic science. It has been conducting various events to maximize the reach of Knowledge of forensic science across the globe. It organizes various Conferences, Seminars and Workshops with the goal of sharing recent advancements and research happening around the globe with students and professionals to boost their knowledge and morale. Forensic science has been growing significantly over the past few decades; the essential demand for progress has been met with bright young minds putting their extensive efforts into advancements in the field. SIFS India, along with other prominent organizations, have been substantial support pillars in establishing the mark of forensics in India and worldwide. The motive of constant learning and sharing recent studies and advancements has been met constantly with their continuous efforts.

Objectives

The primary objective of this conference is to bring together professionals, experts, and scholars from various disciplines within the field of forensic science to facilitate the exchange of knowledge, ideas, and advancements. It serve as a platform for participants to discuss and explore the latest developments in forensic science, including cutting-edge technologies, innovative research, and best practices in the field. Additionally, it aims to foster collaboration among individuals working in different areas of forensic science, such as DNA Analysis, Crime Scene Investigation, Cyber Forensics, Forensic Pathology and Fingerprint & Document Examination. By sharing experiences and insights, attendees can enhance their skills and expertise, ultimately contributing to the improvement of forensic science as a whole. Moreover, it provide an opportunity to address challenges and emerging trends in forensic science, ultimately aiming to enhance the accuracy and reliability of forensic investigations. Overall, the objective is to advance the science, promote professionalism, and drive positive change in the field of forensics.

Who can join

This Conference is typically open to a wide range of individuals who have an interest in the field of forensic science and related areas. It aims to provide a platform for professionals, researchers, educators, students, and anyone interested in forensic science to come together, share knowledge, discuss the latest research and developments, and network with others in the field.

- Forensic Scientists
- Law Enforcement Personnel
- Researchers and Academicians
- Legal Professionals
- Forensic Analysts and Technicians
- Forensic Medicine Practitioners
- Crime Scene Investigators
- Forensic Psychologists and Behavioral Analysts

Conference Themes

Crime Scene Investigation and Reconstruction

- Crime scene processing and evidence collection
- Bloodstain pattern analysis
- Ballistics and Firearms Examination
- Forensic Anthropology and Human Identification

Forensic Chemistry and Toxicology

- Analytical techniques in forensic chemistry
- Drug analysis and toxicology
- Forensic toxicology in post-mortem investigation
- Emerging trends in forensic drug analysis

Forensic Biology and DNA Analysis

- DNA profiling and forensic genetics
- Advances in DNA sequencing technology
- Forensic entomology and botany
- Wildlife forensics and conservation genetics

Digital Forensics and Cybercrime

- Computer and mobile device forensics
- Cybercrime investigation and cybersecurity
- Digital evidence acquisition and analysis
- Network forensics and incident response

Forensic Pathology and Death Investigation

- Autopsy techniques and post-mortem examination
- Forensic odontology and bite mark analysis
- Trauma analysis and cause of death determination
- Child abuse and elder abuse investigations

Conference Themes

Forensic Psychology and Behavioral Analysis

- Criminal profiling and offender behavior analysis
- Eyewitness testimony and memory
- Psychophysiological detection of deception (polygraph)
- Mental health assessments in forensic contexts

Forensic Odontology and Anthropology

- Human Teeth and skeletal analysis and identification
- Mass disaster victim identification
- Forensic taphonomy and decomposition studies
- Odontological approaches in forensic investigations

Forensic Engineering and Accident Investigation

- Failure analysis and accident reconstruction
- Fire investigation and arson analysis
- Vehicle accident reconstruction
- Structural collapse investigation

Forensic Linguistics and Document Examination

- Linguistic analysis in threat assessment and crime investigation
- Handwriting analysis and document authentication
- Digital document forensics and forgery detection
- Speaker recognition and voice analysis

Ethical and Legal Issues in Forensics

- Expert witness testimony and courtroom procedures
- Ethics in forensic science practice
- Legal challenges in forensic evidence admissibility
- Wrongful convictions and exoneration cases

Conference Structure

Day 1 – 12th September 2025

Scientific Session - 01	10:00 AM - 10:30 AM IST	Prof. (Dr.) Ma. Teresa G. De Guzman
Scientific Session - 02	10:30 AM - 11:00 AM IST	Prof. (Dr.) Tina Sharma
Scientific Session - 03	11:00 AM - 11:30 AM IST	Dr. Charesma Grace K. Lud-Ayen
Scientific Session - 04	11:30 AM - 12:00 PM IST	Awanish Kumar Upadhyay
Scientific Session - 05	12:00 PM -12:30 PM IST	Dr. Umema Ahmed

Day 2 – 13th September 2025

Scientific Session - 06	10:00 AM - 10:30 AM IST	Dr. Vineeta Saini
Scientific Session - 07	10:30 AM - 11:00 AM IST	Dr. Ridamjeet Kaur
Scientific Session - 08	11:00 AM - 11:30 AM IST	Dr. Renu Devi
Scientific Session - 09	11:30 AM - 12:00 PM IST	Dr. Rajeev Jain
Scientific Session - 10	12:00 PM - 12:30 PM IST	Vidyam Muralidhar
Scientific Session - 11	12:30 PM - 01:00 PM IST	Dr. Jasmina Ceron

Day 3 – 14th September 2025

Scientific Session - 12	10:00 AM - 10:30 AM IST	Dr. Bhoopesh Kumar Sharma
Scientific Session - 13	10:30 AM - 11:00 AM IST	Dr. Reena Susan Philip
Scientific Session - 14	11:00 AM - 11:30 AM IST	Dr. Beauty Arora
Scientific Session - 15	11:30 AM - 12:00 PM IST	Prof. (Dr.) P. L. Sahu
Scientific Session - 16	12:00 PM - 12:30 PM IST	Blanca Viviana Ushñahua Grández
Scientific Session - 17	12:30 PM - 01:00 PM IST	Dr. Atty. Ariel Dasas Valones
Scientific Session - 18	01:00 PM - 01:30 PM IST	Dr. Irene Dasas Valones
Scientific Session - 19	01:30 PM - 02:00 PM IST	Dr. Tara Reyes
Scientific Session - 20	02:00 PM - 02:30 PM IST	Yogesh Kumar
Scientific Session - 21	02:00 PM - 02:30 PM IST	Fatima Garba Galadima

Guidelines

Online Paper Presentation

Abstract Submission Guidelines

The Paper should be UNIQUE and UNPUBLISHED, offering new perceptions, a new approach, or new knowledge to the body of literature.

- The Abstract should be of a maximum of 300 words followed by a minimum of five keywords and the final manuscript (Note: should not include graphs/tables/images).
- The following information, in the given format, should be included in the Abstract: Title of the Abstract, Name of the Author and co-authors, Official Designation/Institution Details, Address and Email, Type of Presentation (Paper, UG/PG/Scholar) and Payment Proof.
- The submitted abstract with relevant information will be regarded as the final submission considering the author's name, co-authors, and their affiliation. Any errors in spelling, grammar or scientific fact will be reproduced as submitted by the author.
- Participants need to submit their abstract at <https://forms.gle/sBWUDrPZFid3vf49A>
- In the case of multiple authors, only one author would be allowed to present the Paper. All the coauthors need to register themselves separately to receive the participation certificate as coauthors.
- Make sure to use Updated Version of Microsoft Office: PowerPoint for Online Presentations.

Guidelines

Online Paper Presentation

Presentation of Paper Online

- The presenter should present the paper in Microsoft Office: 10 PowerPoint slides (16:9 ratio).
- The research work that needs to be presented should have relevant information such as an introduction, methodology, result, and conclusion with references.
- The presentation should be professional and visually appealing, with a balance of text and graphics (charts, pictures, diagrams).
- The presentation content should reflect the content of your abstract, and the use of the headings like introduction, objectives, methods or approach, results or practice implications, and conclusions are allowed as a basic template.

Registration Guidelines

- The participant can register from the website www.sifs.in/events to present their work at the conference.
- The confirmation mail will be sent to the registered mail ID. For any queries and assistance, delegates can contact at +91-9818877002 or iasrconference2025@gmail.com.
- In case of payment of the registration fee via Account Transfer or UPI (not from website), delegates need to email the proof of payment to iasrconference2025@gmail.com for confirmation and to register themselves for the conference.
- Participants can submit their abstracts to <https://forms.gle/sBWUDrPZFid3vf49A> (as per the submission guidelines) along with proof of payment, applicable for both authors and co-authors.
- Any modification in the shared abstracts for presentations will not be accepted after the final submission date (if provided with genuine grounds).
- International Participants can also PayPal at forensicdocument@gmail.com
