

6th International Forensic Science Conference

Humanitarian and Heritage Forensics in the Global South

01st-03rd
DEC. 2025

About SIFS

The Sherlock Institute of Forensic Science (SIFS) India was set up in 2006 with the mission to make forensic education available to all and with a vision to make India a crime-free place to live by creating a skilled workforce of forensic experts to assist law enforcement agencies and the judiciary in bringing justice to the table within time. SIFS India offers comprehensive industry-specific and job-ready online and offline courses, trainings, internships, workshops, and research-based projects in the diverse forensic science domains, like cyber law, cyber and digital forensics, fingerprint verification, questioned document examination, and handwriting analysis, to name a few.

It has been a frontrunner in the field of forensic science. It has been conducting various events to maximize the reach of Knowledge of forensic science across the globe. It organizes various Conferences, Seminars and Workshops with the goal of sharing recent advancements and research happening around the globe with students and professionals to boost their knowledge and morale. Forensic science has been growing significantly over the past few decades; the essential demand for progress has been met with bright young minds putting their extensive efforts into advancements in the field.

SIFS India, along with other prominent organizations, have been substantial support pillars in establishing the mark of forensics in India and worldwide. The motive of constant learning and sharing recent studies and advancements has been met constantly with their continuous efforts.

About IASR

The International Association of Scientists and Researchers (IASR) has emerged as a pioneering organization dedicated to disseminating recent research and studies to avid learners and academics, particularly within the field of forensic science. This journey has been significantly bolstered by the steadfast support of the Sherlock Institute of Forensic Science (SIFS India). The field of forensic science has witnessed notable growth in recent decades, owing to the concerted efforts of talented individuals committed to advancing the discipline. SIFS India's pivotal role in supporting IASR has been instrumental in solidifying the prominence of forensic science in India and globally. Through initiatives such as the IASR International Conferences, which serve as platforms for researchers, academicians, and professionals to exchange ideas and insights, the organization aims to foster continuous learning and facilitate the dissemination of cutting-edge research in various domains of forensics. These include but are not limited to fingerprint analysis, questioned document examination, crime scene investigation, forensic odontology, forensic medicine and toxicology, forensic biology and serology, forensic psychology, cyber and digital forensics, as well as forensic physics and anthropology. By providing such avenues for collaboration and knowledge sharing, IASR and SIFS India are collectively contributing to the advancement and enrichment of forensic science on a global scale, thereby aiding in the effective application of forensic techniques in solving crimes and administering justice.

Partner Institutions

UNIVERSITY OF THE PHILIPPINES MANILA

The University of the Philippines Manila (UP Manila) is one of the eight constituent universities within the University of the Philippines (UP) System. UP Manila is a public, secular institution of higher learning that offers academic and training programs, as well as extension services, primarily focused on the health sciences, health professions education, arts, and sciences. Its mission is to provide transformative health science-focused education, inspiring students to take creative and constructive actions in service to humanity.

UNIVERSITY OF BAGUIO PHILIPPINES

The University of Baguio, formerly known as Baguio Technical and Commercial Institute (Baguio Tech), is an autonomous private university located in Baguio, Philippines. Founded on August 8, 1948, by Fernando Gonzaga Bautista and Rosa Castillo Bautista, it initially had 80 students. As of 2018, the university had approximately 18,000 students at the tertiary level. The institution offers a diverse range of academic programs, including 21 undergraduate programs, 12 graduate programs, and 10 short-term programs across 11 colleges.

HOLY ANGEL UNIVERSITY PHILIPPINES

Holy Angel University is a private Catholic research university in Angeles City, Philippines. Founded in June 1933 by Don Juan Nepomuceno and Fr. Pedro Paulo Santos, who was later named as the Archbishop of Cáceres, is considered the first lay-founded Catholic school as well as the first coeducational Catholic high school.[2] With a student population of over 21,000, it is the largest private institute of education with the largest student population in a single campus in Central Luzon.

TARLAC STATE UNIVERSITY PHILIPPINES

Tarlac State University is a publicly-funded institution located in Tarlac City, Philippines. Established in 1906, it is the flagship academic institution of higher education in the province and offers a wide range of degree programs through its ten colleges and three campuses. The Tarlac State University aims to set a benchmark for culture and excellence in higher education. Furthermore, the university welcomes international students and has witnessed the graduation of numerous students from countries such as the USA, China, Hong Kong, Korea, and India.

LYCEUM OF THE PHILIPPINES UNIVERSITY

Lyceum of the Philippines University-Batangas (LPU-B), a private tertiary educational institution located in Region IV-A was established in 1966 by the late Senator, Dr. Sotero H. Laurel adopting the educational philosophy of his father, former President of the Philippines-Jose P. Laurel. This institution formally received its University status from the Commission on Higher Education (CHED) in 2008. Consequently, it has also maintained the Autonomous status, the highest recognition being awarded by CHED to few tertiary educational institutions in the country, after obtaining it in 2009 and 2016.

Objectives

Showcase Cutting-Edge Research: Provide a platform for forensic scientists and researchers to present their latest findings and technological advancements in forensic analysis.

Foster Collaboration: Bring together professionals from various forensic disciplines, law enforcement, legal, and academic sectors to share knowledge and discuss best practices.

Explore Ethical Implications: Examine the ethical challenges that arise with the application of new forensic technologies, particularly in areas like DNA databasing, digital forensics, and artificial intelligence.

Enhance Investigative Techniques: Discuss innovative methods to improve crime scene investigation, evidence preservation, and forensic analysis to ensure justice is served accurately and fairly.

Promote Training and Education: Encourage the development of specialized training programs for forensic professionals, ensuring they stay up-to-date with the latest tools, techniques, and legal standards.

This conference will provide an invaluable opportunity for the forensic science community to unite, share knowledge, and continue advancing the field, ensuring that innovations in science continue to strengthen justice.

Who can join

This Conference is typically open to a wide range of individuals who have an interest in the field of forensic science and related areas. It aims to provide a platform for professionals, researchers, educators, students, and anyone interested in forensic science to come together, share knowledge, discuss the latest research and developments, and network with others in the field.

- Forensic Scientists
- Law Enforcement Personnel
- Researchers and Academics
- Legal Professionals
- Forensic Analysts and Technicians
- Forensic Medicine Practitioners
- Crime Scene Investigators
- Forensic Psychologists and Behavioral Analysts

Conference Themes

Crime Scene Investigation and Reconstruction

- Crime scene processing and evidence collection
- Bloodstain pattern analysis
- Ballistics and Firearms Examination
- Forensic Anthropology and Human Identification

Forensic Chemistry and Toxicology

- · Analytical techniques in forensic chemistry
- Drug analysis and toxicology
- Forensic toxicology in post-mortem investigation
- Emerging trends in forensic drug analysis

Forensic Biology and DNA Analysis

- DNA profiling and forensic genetics
- Advances in DNA sequencing technology
- Forensic entomology and botany
- Wildlife forensics and conservation genetics

Digital Forensics and Cybercrime

- · Computer and mobile device forensics
- · Cybercrime investigation and cybersecurity
- · Digital evidence acquisition and analysis
- · Network forensics and incident response

Forensic Pathology and Death Investigation

- Autopsy techniques and post-mortem examination
- Forensic odontology and bite mark analysis
- Trauma analysis and cause of death determination
- Child abuse and elder abuse investigations

Conference Themes

Forensic Psychology and Behavioral Analysis

- · Criminal profiling and offender behavior analysis
- Eyewitness testimony and memory
- Psychophysiological detection of deception (polygraph)
- Mental health assessments in forensic contexts

Forensic Odontology and Anthropology

- Human Teath and skeletal analysis and identification
- · Mass disaster victim identification
- · Forensic taphonomy and decomposition studies
- · Odontological approaches in forensic investigations

Forensic Engineering and Accident Investigation

- Failure analysis and accident reconstruction
- · Fire investigation and arson analysis
- Vehicle accident reconstruction
- Structural collapse investigation

Forensic Linguistics and Document Examination

- Linguistic analysis in threat assessment and crime investigation
- · Handwriting analysis and document authentication
- · Digital document forensics and forgery detection
- Speaker recognition and voice analysis

Ethical and Legal Issues in Forensics

- Expert witness testimony and courtroom procedures
- Ethics in forensic science practice
- Legal challenges in forensic evidence admissibility
- Wrongful convictions and exoneration cases

Core People

Dr. Ranjeet Kr. Singh

Director SIFS India

Prof (Dr) Ma. Teresa G. De Guzman

Professor, University of the Philippines, Manila Executive Director, Interdisciplinary Research & Development

Dr. Nino Kabiling

Dean, College of Criminal Justice Education & Forensics, Holy Angel University, Philippines

Dr. Jose I. Dela Rama Jr.

Professor and Dean Tarlac State University School of Law Phillipines

Dr. Vijay Rustagi

Chairperson SIFS India

Dr. Charesma Grace K. Lud-Ayen

Dean, University of Baguio, Philippines

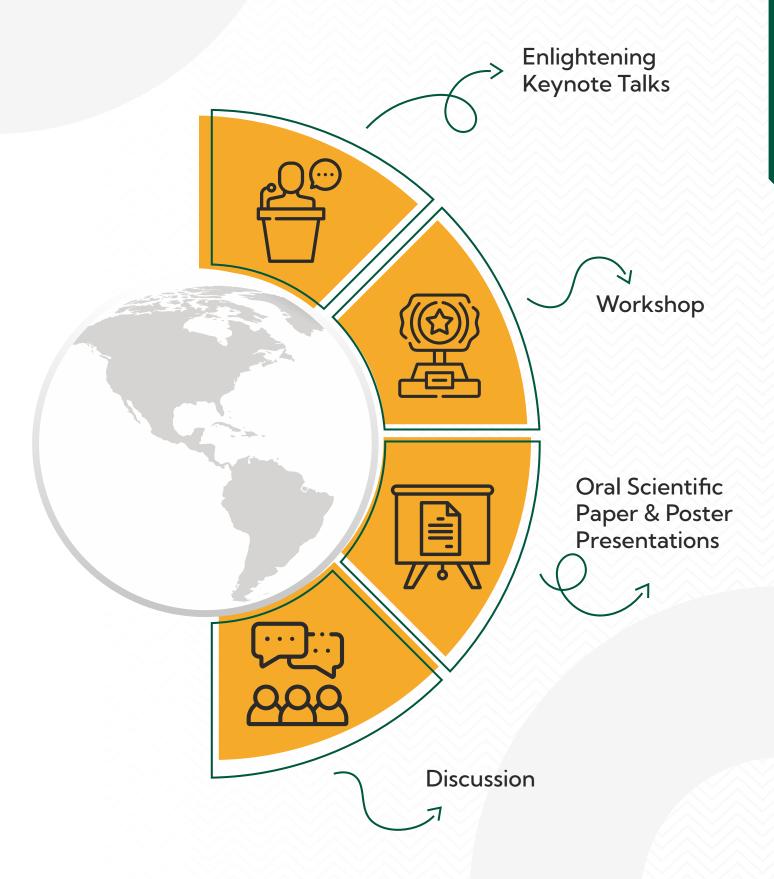

Witness with your Presence

Guidelines

Online Research Presentation

Abstract Submission Guidelines

The Paper should be UNIQUE and UNPUBLISHED, offering new perceptions, a new approach, or new knowledge to the body of literature.

- The Abstract should be of a maximum of 300 words followed by a minimum of five keywords and the final manuscript (Note: should not include graphs/tables/images).
- The following information, in the given format, should be included in the Abstract: Title of the Abstract, Name of the Author and co-authors, Official Designation/Institution Details, Address and Email, Type of Presentation (Paper/Poster, Student/Professional) and Payment Proof.
- The submitted Abstract with relevant information will be regarded as the final submission considering the author's name, co-authors and their affiliation. Any errors in spelling, grammar or scientific fact will be reproduced as submitted by the author.
- Participant need to submit their abstract at https://forms.gle/BYJBiM4hELPxd29JA
- In the case of multiple authors, only one author would be allowed to present the Paper. All the
 coauthors need to register themselves separately to receive the participation Certificate as
 coauthors.
- Make sure to use Updated Version of Microsoft Office: PowerPoint for Online Presentations.

Guidelines

Online Research Presentation.

- The Presenter should present in Microsoft Office: 10 PowerPoint slides (16:9 ratio).
- The research work needs to be presented should have relevant information such as introduction, methodology, result and conclusion with references.
- The presentation should be professional and visually appealing, with a balance of text and graphics (charts, pictures, diagrams).
- The presentation content should reflect the content of your abstract, and the use of the headings like introduction, objectives, methods or approach, results or practice implications, conclusions is allowed as a basic template.

Registration Guidelines

- The participant can register for the Conference from the website www.sifs.in/events to present their work at the Conference.
- The confirmation mail will be sent to the registered mail ID. For any queries and assistance, delegates can contact at +91-9818877002 or forencon 2025@gmail.com.
- In case of payment of registration fee via Account Transfer or UPI (not from website), delegates need to email the proof of payment to forencon2025@gmail.com for confirmation and to register yourself for the Conference.
- Participants can submit their abstracts to https://forms.gle/BYJBiM4hELPxd29JA (as per the submission guidelines) along with proof of payment, applicable for both authors and co-authors.
- Any modification in the shared abstracts for presentations will not be accepted after the final submission date (if provided with genuine grounds).
- International Participants can also PayPal at forensicdocument@gmail.com.

Bank Details

Acc. Name - International Association of Scientists and Researchers

Account No. - 016005007013

Type - Current

Bank Name - ICICI Bank Ltd.

Branch - ICICI Bank, H-4, Model Town-III, New Delhi-110009

IFSC Code - ICIC0000160 Swift Code - ICICINBBCTS

Registration Information

Online Research Presentation Fee

Undergraduate	1000 INR
Postgraduate	2000 INR
Research Scholar	3000 INR

What Presenter will receive

- 1. Research Presentation Certificate under Registered Category.
- 2. Winner Certificate under Registered Category.

*Registering for the Online Research presentation will grant access only to your Presentation Room
If you wish to listen to the keynote talks you need to Register for the Conference in Offline mode
which will be taking place at University of the Philippines Manila, Philippines.

Mode : Offline

Venue : University of the Philippines, Manila, Philippines

Mobile : +91-98188 77002

Email : forencon2025@gmail.com
